Sacramento Chapter Sons of the American Revolution

Volume 51, Edition 5

Presidents Corner

Will Gunter here. Hope this finds all well. On Saturday the 17th of August we held a member's only meeting. It was a very busy meeting. The first thing I was honored to do was to induct 2 new members and a member who was approved in 2015, however, he was in Iraq, Afghanistan or one of those other countries over in the middle east. Hence, he was never inducted into the SAR. So Please welcome Mark Mozdy and Charles Karlsson as our newest members and Jimmy Stephenson (Craig Anderson's Grandson) who just got inducted as a 4 year member. Congratulations to all 3 of you. The next thing was to honor 4 of our Vets. so I awarded the certificate of Patriotism to Craig Anderson and to Roy Adkins. After which, I asked Craig Anderson to come forward and award the Certificate of Patriotism to Wesley Anderson (Craig's son) and Jimmy Stephenson (Craig's Grandson) plus several SAR Medals to each. Then it was time for our reports from our Secretary: Craig Anderson talked about Member Status, Medals/Awards Inventory, Youth Protection Training, Courier Mailings, Veterans Recognition and 2020 Dues (which notices will be in your mailbox in October 2019. Treasurer: Don Littlefield talked about the Chapter Account Updates and the 2019 Projected Budget and YTD Expenses about and Registrar: Scott Brooks gave us the numbers on new/completed applications and junior applications. That was when we began to talk about other business. First up was the Freedom Foundation Valley Forge-American Heritage Festival on Sept. 13/14, 2019. That will be Friday and Saturday. This is the first time that the Sacramento Chapter of the SAR has been invited to participate in the Festival. Quite a few of us are going to be there both days. We will have 2 tables. One will be for information on the SAR and the other will be a recruitment table.

There is an address for the Festival a little further into the Courier. There was a nomination made for 3 awards to be given out in January 2020 to people who have gone above and beyond the call. The recommendation was voted and passed. No. I am not going to tell you who these people are. It's going to be a surprise. So as part of Don Littlefield's duties as the incoming President of the CASSAR is Alternative National Trustee. In order to do that, he needs to have an endorsement letter from our chapter signed by me. A vote was held and Don got our endorsement. At the June members only meeting, David Beach brought up having a Challenge Coin made for the Chapter. This coin would not be for the CASSAR or the NSSAR. It would be for the Sacramento Chapter. We had a very good conversation about a coin at that meeting. The way it worked out, Don Littlefield went ahead and did the research on cost and got different designs to put on the coin. I went ahead and called on Don to make his presentation about the cost, design and to open the conversation on this subject again. A lot of good ideas were put forth and a vote was taken to do more research about securing our own Coin and passed. I will be sending out to the membership pictures of the design for you all to give your opinion on. The last topic we talked about was making a parade kit which would consist of 6 flags, bunting and everything needed to make up a trailer for the parades. We also would need someone to take care of the parade kit. Russ Kaiser volunteered to keep the kit. A vote was taken and passed. So we will be putting together a Kit. Thank you Russ. The last thing that I need to report is that the position of Secretary for the Sacramento Chapter is being vacated in January as Craig Anderson is moving on to the CASSAR and with his duties there, he will not be able to fulfill his position with us. We will be looking for 3 or 4 people to fill that position. We will be breaking up the job into 4 Departments to make it easier. Well, that's it for this month. I look forward to see you all on Sept. 20th

Valley Forge Teacher Recognition Program

Each year, the California State Society SAR sponsors two California teachers to attend workshops in Valley Forge, focused on the Revolutionary War. This year, our chapter was fortunate to have two teachers selected for this program. Sacramento area teachers, Melissa Wolking from Oak Chan Elementary School in Folsom and Scott Steffens from St. Patrick's Academy in Sacramento were selected this year, and they have recently returned from these Freedoms Foundation Valley Forge Workshops.

They have both agreed to speak at our September dinner meeting and share their experiences and impressions of this program with us. This promises to be a very interesting and exciting meeting, so don't miss it.

Youth protection training records were reviewed and it was stressed that all members who interact with young people through school programs, presentations or participating in color guard events must have this training. Members were asked to forward updated certificates to the Chapter Secretary. It was reported that the cost of the Courier mailings far exceed the cost recovered from members. The membership voted to increase the cost to the membership to \$25.00 per year for 10 issues to cover actual printing and postage costs. The veterans recognition program was reviewed and veteran members were encouraged to submit their DD214's so they could receive this recognition. It was announced that member dues will be mailed out on October 1st and are due on or before Nov 1st.

President Gunter reviewed and discussed Carl Ahlberg's report on the chapter color guard. Since there were some questions arising from the report, further discussion would be delayed until the School Guard Coordinator could be present to clarify the report.

George S. & Stella M. Knight Essay Contest

Each year, the National Society of the Sons of the American Revolution (SAR) invites all high school students (9th through 12th grades) interested in the American Revolution to participate in the George S. & Stella M. Knight Essay Contest. The contest is open to all US Citizen and Legal Resident students attending home schools, public, parochial, or private high schools in that same grade range. The National Association of Secondary School Principals has placed this program on the 2017-18 NASSP List of Approved Contests, Programs, and Activities for Students.

To participate, students must submit an original 800 to 1,200-word essay based on an event, person, philosophy or ideal associated with the American Revolution, Declaration of Independence, or the framing of the United States Constitution. Each student's essay is judged based upon its historical accuracy, clarity, organization, grammar and spelling, and documentation.

Our youth programs such as the Knight Essay Contest have a profound influence on our young students allowing them to discover new perspectives and broaden their understanding of our American heritage. We want to share with you, a thank you note from our 2019 chapter winner of this contest, Ms. Anna Guzman:

June , 2019

Hello,

Please accept my belated thank you for the award I received in your Knight essay competition. I enjoyed participating in the essay competition and attending your meeting to receive my award and read my essay. I really appreciate the generosity of your organization in offering this competition. Participating in the essay contest made me discover the fascinating story of an American hero and I discovered a richer understanding of American history by listening to the speakers at the meeting. Thank you again for your support of this contest and for hosting me at your meeting.

Sincerely,
Anna Guzman

Honoring Our Patriot Ancestors

Hezekiah Davies

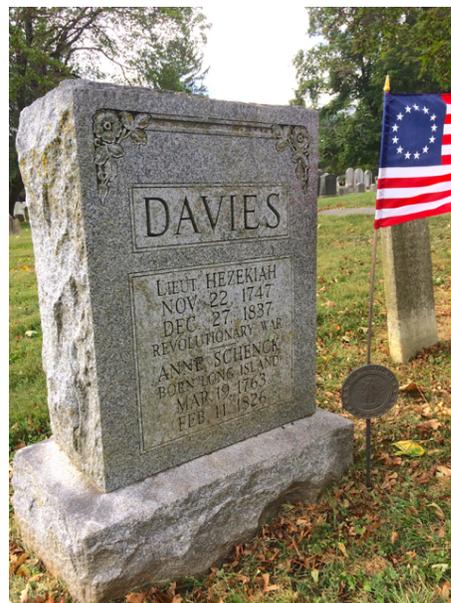

Hezekiah Davies was born on November 22, 1747 in Charlestown Twp., Chester County, Pennsylvania. He grew up on the family farm and was trained as a saddle maker in his youth.

In January 1776, he enlisted in the 5th Pennsylvania Regiment, a Chester County Militia unit. Later that year, when General Washington issued a call for troops to help in the defense of New York, a call went out for PA troops to serve in the Flying Camp. Hezekiah volunteered to serve and was assigned to Col William Montgomery's Chester County Battalion. This unit marched through Philadelphia on July 18th and 19th and was the first Pennsylvania unit to arrive in Perth Amboy on July 24th. At Perth Amboy the regiment was re-organized and sent north to Fort Lee on the west bank of the Hudson River. On September 7th, Hezekiah Davies received a commission as a 1st Lt. in Samuel Culberson's company. The Flying Camp remained in garrison at Fort Lee until November 1776. Following the battle of White Plains, General Howe moved his troops south to eliminate the last American presence on Manhattan at Fort Mifflin on the east bank of the Hudson River opposite Fort Mifflin.

To counter this threat, troops were ordered across the river from Ft Lee to reinforce Fort Mifflin. On November 16th 1776, 8000 British and Hessian Troops attacked the 3000 troops stationed in Fort Mifflin. The action lasted from early morning to late afternoon, and the American troops were ultimately driven back into the fort. Outnumbered and seeing the hopelessness of their situation, the American Commander, Col Mifflin, surrendered the garrison. The troops were severely abused by their Hessian captors, stripped of their personal possessions including much of their clothing, and marched south toward New York City.

Lt. Hezekiah Davies was confined for a time in New York with the other officers, and then in December 1776 he was sent aboard one of the prison ships anchored in the harbor. On January 20th, 1777, he was allowed to give his parole, and he was sent to Long Island where he was quartered with the prominent Dutch family of Nicolas Schenck. During his lengthy period of confinement on Long Island, he received periodic sums of money from various Pennsylvania benefactors for the upkeep of himself and other prisoners. While a prisoner, he also compiled and maintained a roster of the other American prisoners being held on Long Island. Hezekiah was exchanged in December 1780. He applied for and was granted a pension in 1833 of \$320 per year for his service. He died in 1837 at the age of 90 years.

Hezekiah Davies is the patriot ancestor of Craig Anderson, Wesley Anderson, Jimmy Stephenson, and Dark Alvarado.

OUR COLOR GUARD

We want to recognize the contributions of our compatriots who volunteer their time and resources to serve on our chapter color guard. They are the public face of our chapter, and we have had many members over the years contribute their time and energy to this group. Color Guard members provide their own uniforms, equipment, and transportation for these events.

The Sacramento Color Guard is invited to participate in many patriotic events in the Sacramento Area throughout the year such as Memorial Day, Independence Day, Veterans Day, and Wreaths Across America, we are asked frequently to post our Nation's Colors at DAR events.

Color Guard Commander
David Beach

We were asked recently to present the National Colors at a commercial event at the Sacramento Convention Center. Color Guard members, Russ Kaiser, Don Littlefield, Ernie Garcia, Carl Ahlberg, and Craig Anderson spent part of a day prior to the event practicing so that during the event they would put on a professional appearance for the audience. Their appearance was very sharp! The event sponsor, Servpro, donated \$500 to our Chapter for our youth programs.

Color Guard members have the ability to earn SAR awards for their service.
